

Laying a strong foundation is key to building any structure. Like a developer, Maximum's construction practice group combines the right talent, expertise and companies to build the best insurance programs for your clients. Our property expertise ranges from catastrophe to inland marine coverages while liability spans from wraps to contractor pollution exposures. Whether you have commercial or residential needs or require coverage for an owner or contractor, bringing construction-related risks to Maximum means getting a comprehensive and tailored solution for insureds.
